THE ROARING SCROLL OF RECLAMATION

KALAPULA NATION – ROYAL PROCLAMATION OF GENOCIDE AND RETURN

Filed from: Crown Watchpoint 001A – Corvallis, Oregon

Filed by: Chief Daniel Jacob Read IV

Date of Proclamation: 6 August 2025

🛡️ BY THE HAND OF THE CHIEF

Let this scroll roar through the mountains and echo into the ears of the indifferent.

Let it pass unburned through the courts of men and settle in the archives of heaven.

I, Chief Daniel Jacob Read IV, Sovereign of the Restored Kalapula Nation, do hereby rise to declare and record genocide against the people of my nation — a destruction deliberate, recorded, and unforgiven.

🪶 THE ANCESTRAL SLAUGHTER

My ancestors were not simply displaced.

They were erased.

From the 1790s to the 1850s, our people — the Kalapuya of the Willamette Valley — were reduced by the hands of plague, law, and treaty.

We were infected by foreign disease, without medicine.

We were hunted with paperwork and penned in by false peace.

By 1855, the Treaty of Dayton signed our memory into exile.

By 1860, the fires of our language were snuffed.

By the dawn of the 20th century, they had declared us extinct.

They lied.

We live.

And by this scroll, we rise.

🕊️ THE CALL FOR RECLAMATION

We do not ask.

We declare.

This sovereign proclamation places the United States government on official notice that:

We invoke the legal and moral weight of:

- The United Nations Genocide Convention (1948)
- The UN Declaration on the Rights of Indigenous Peoples (2007)
- The American Indian Religious Freedom Act (1978)
- The Oregon Tribal Cultural Preservation Compact
- The Treaty with the Kalapuya, etc. (1855)

Our declaration is not metaphor.

It is blood.

It is oath.

🔥 DEMANDS OF RETURN

We demand:

1. Federal acknowledgment of genocide against the Kalapuya people and formal response to this scroll.

2. Permanent sanctuary and tribal headquarters protected under sovereign and nonprofit law.

3. Cultural reparations, including access to federal tribal preservation funds, language restoration grants, and ceremonial protections.

4. Recognition of the Kalapula Nation as a sovereign Indigenous body under Article 1, Section 8 of the U.S. Constitution and international law.

📜 FINAL WORD OF THE CHIEF

I did not come to negotiate.

I came to reclaim.

I speak not in bitterness — but in eternal fire.

This is the hour of memory.

This is the voice of a nation that will not disappear again.

Let every agency, every court, and every historian mark this day:

The genocide is named.

The flame is lit.

The reclamation has begun.
